

# Keep increasing house

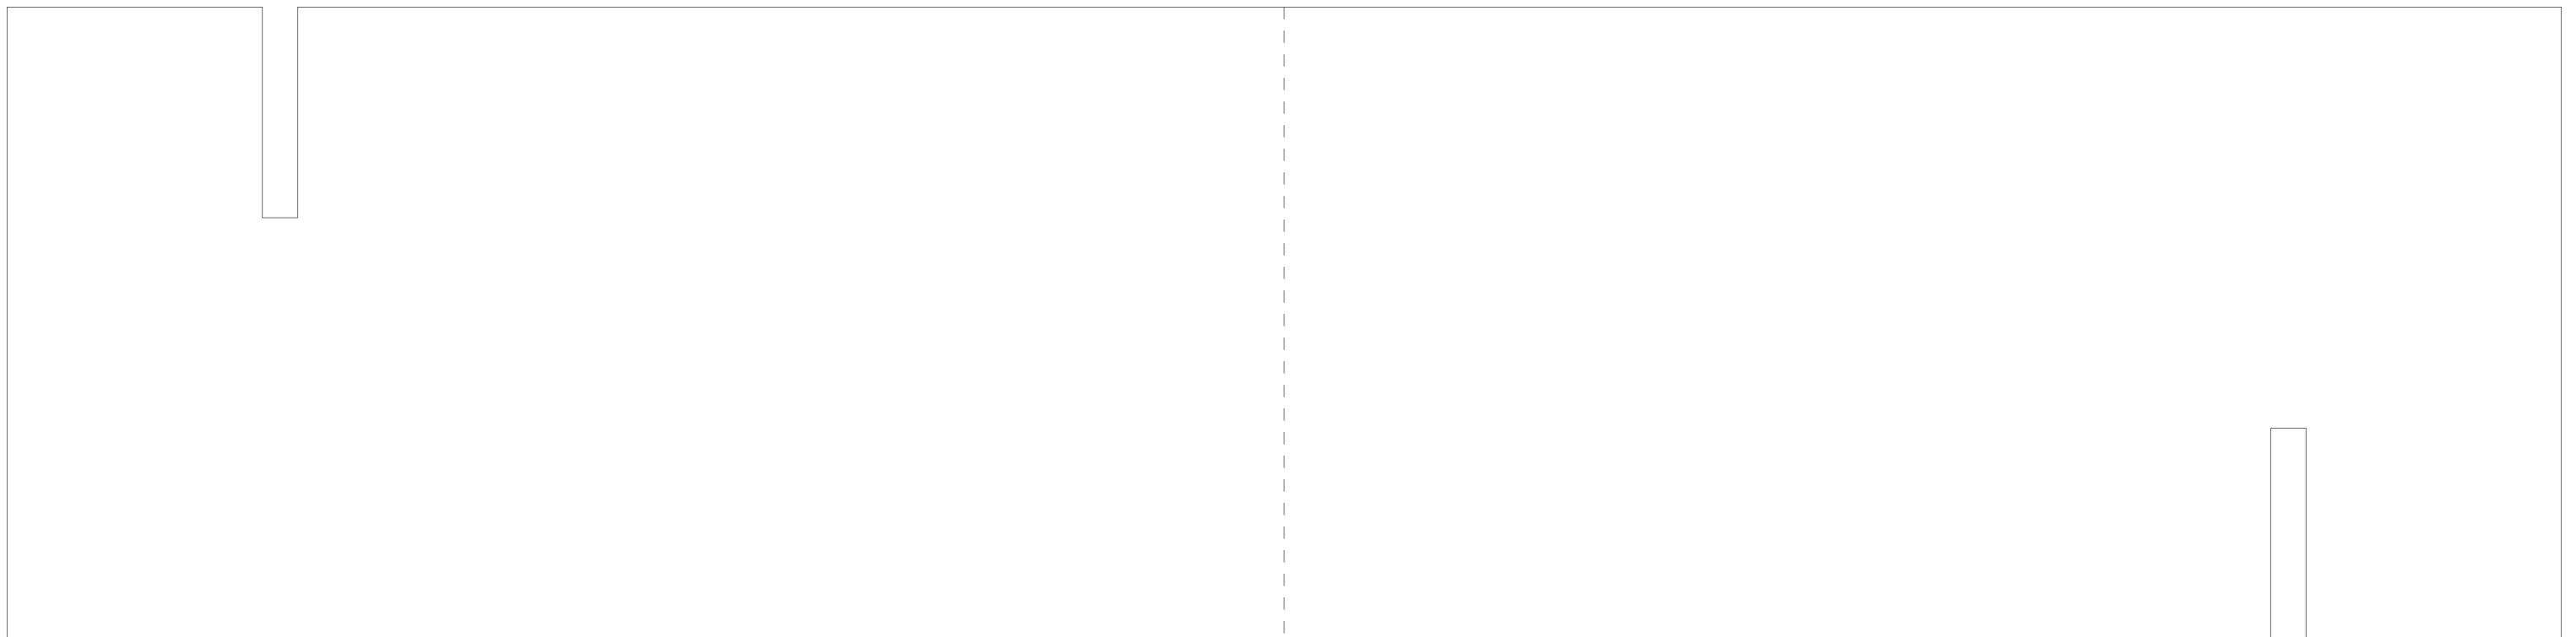

This house is easy to make.

It was made by only standing triangle roofs,  
and under the roof has high places or also low them.

The house is freedom what increases how many!

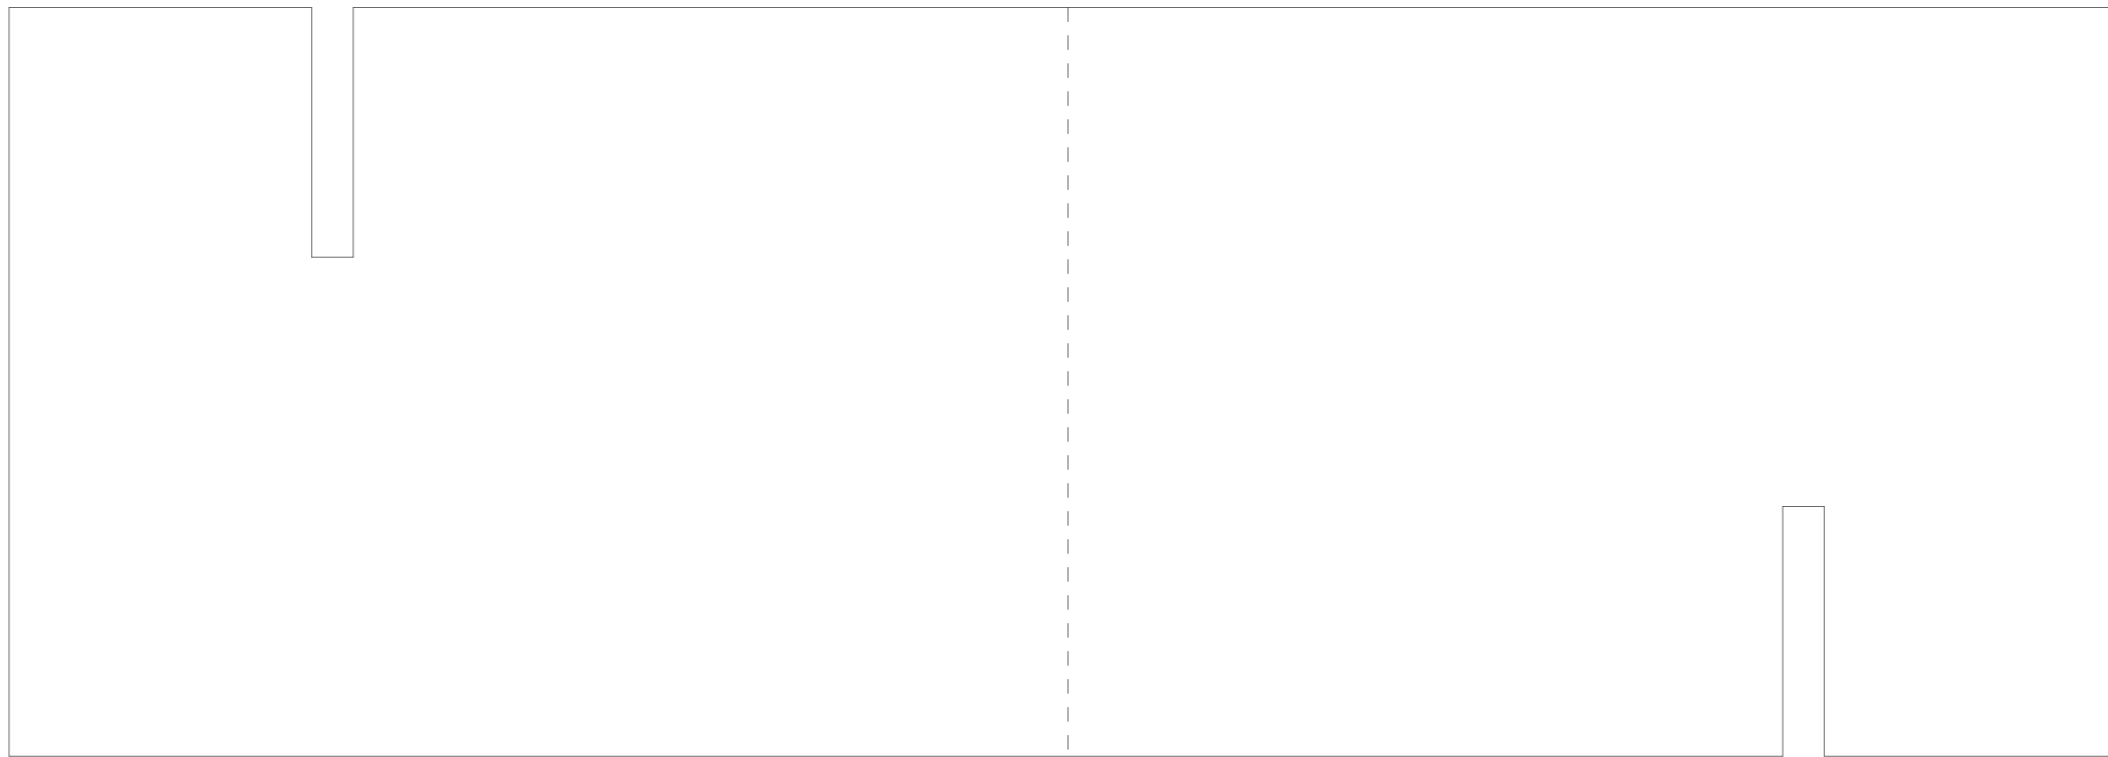

Roof①

Roof②

Opening windows wherever you like!

----- Notch the surface

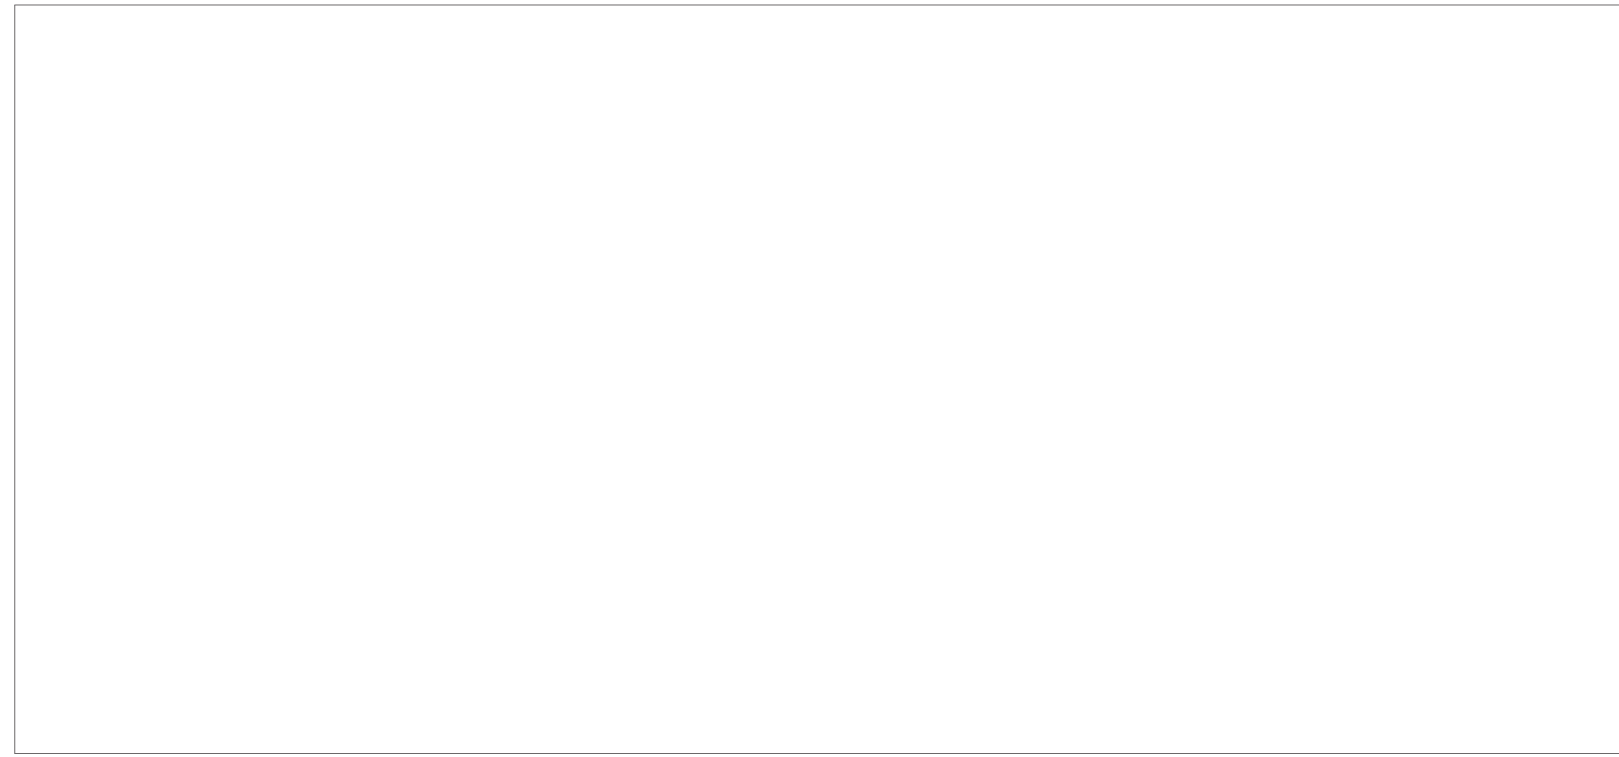

Roof③

Roof④

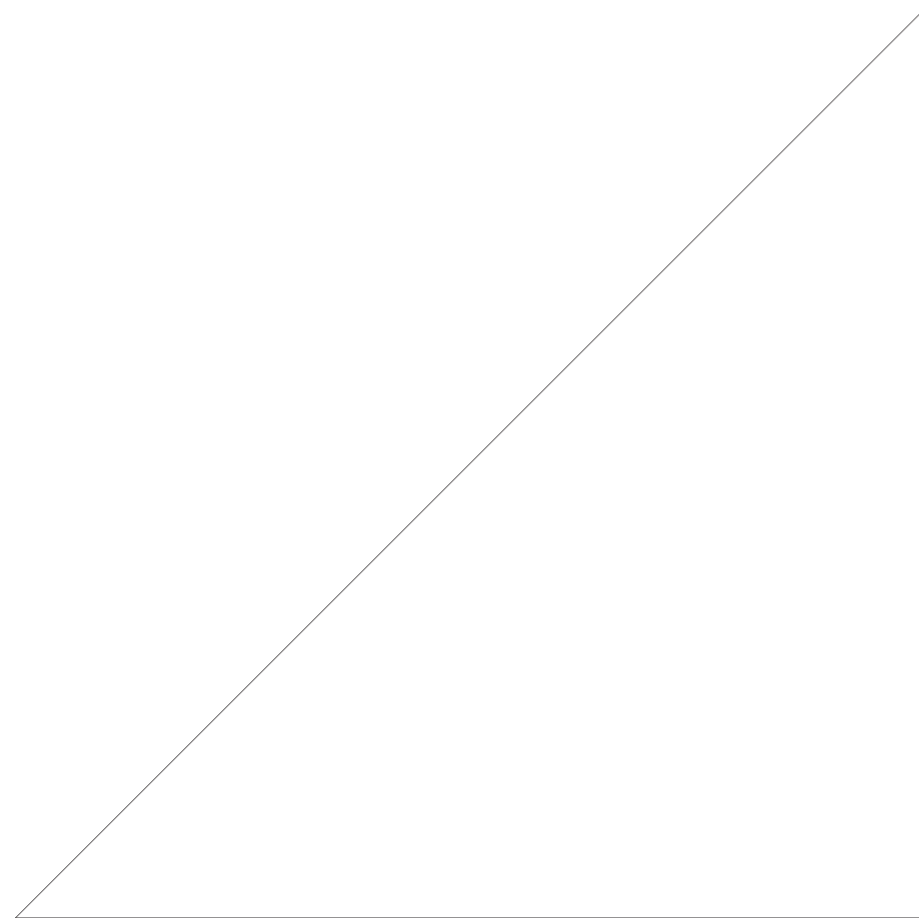

Opening windows wherever you like!

----- Notch the surface

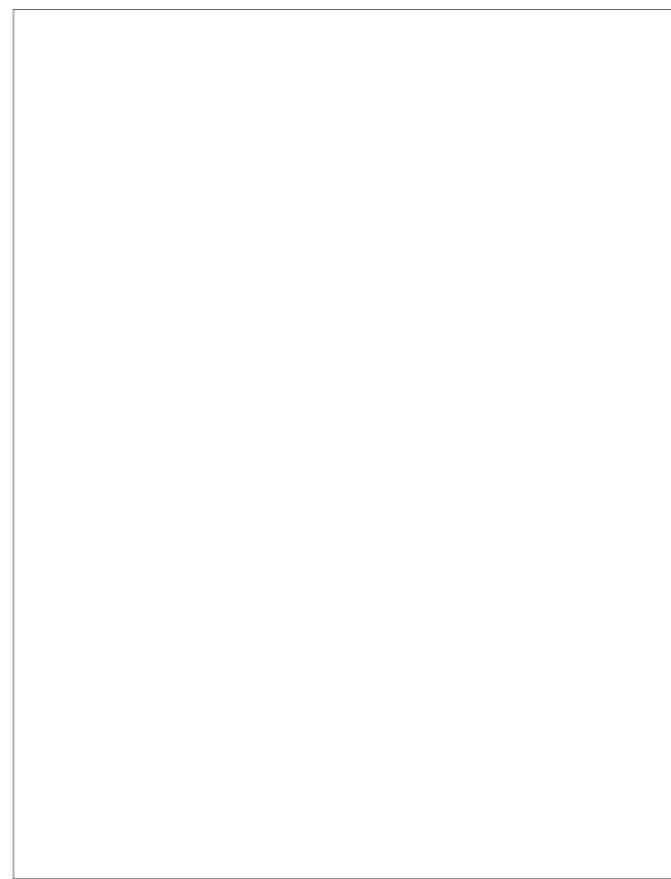

Floor①

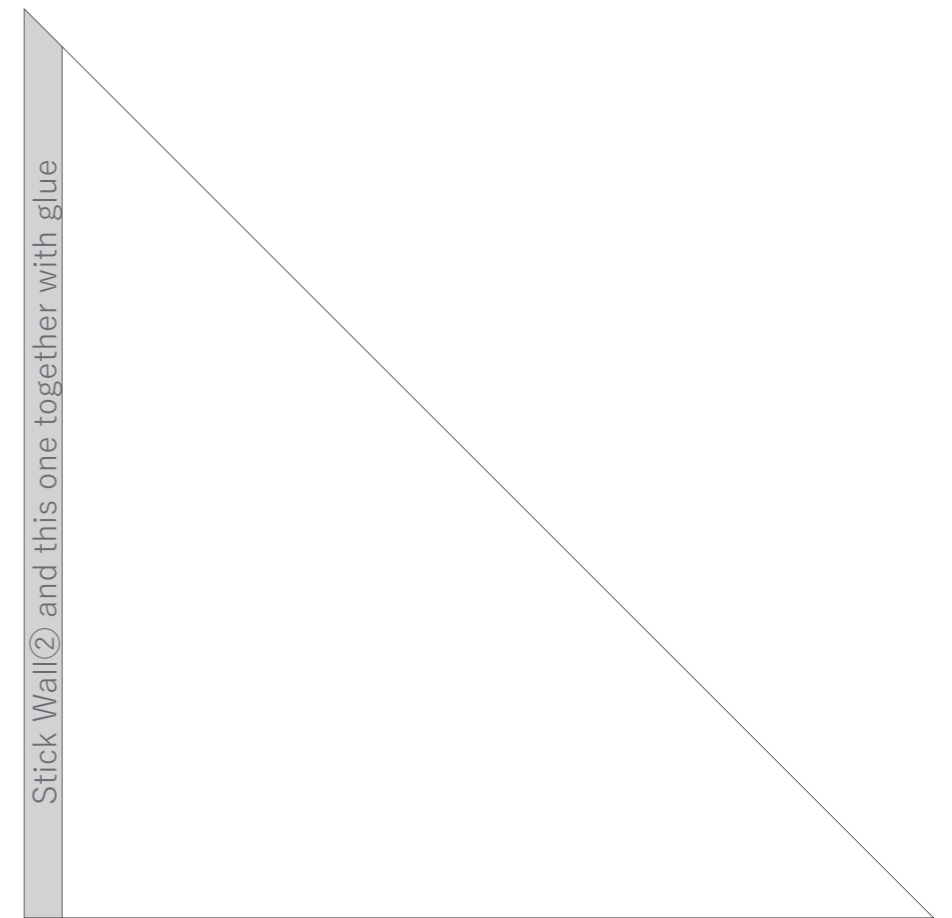

Opening windows wherever you like!

Wall③

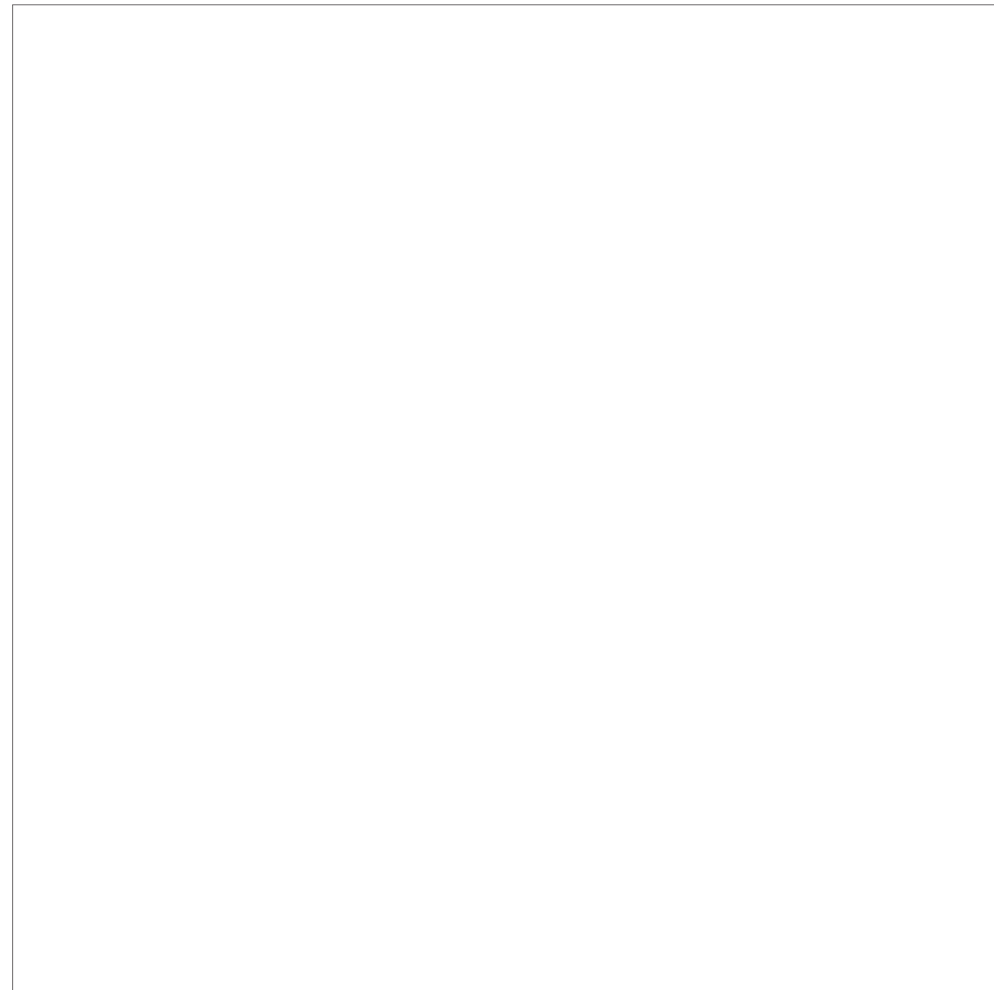

Wall②

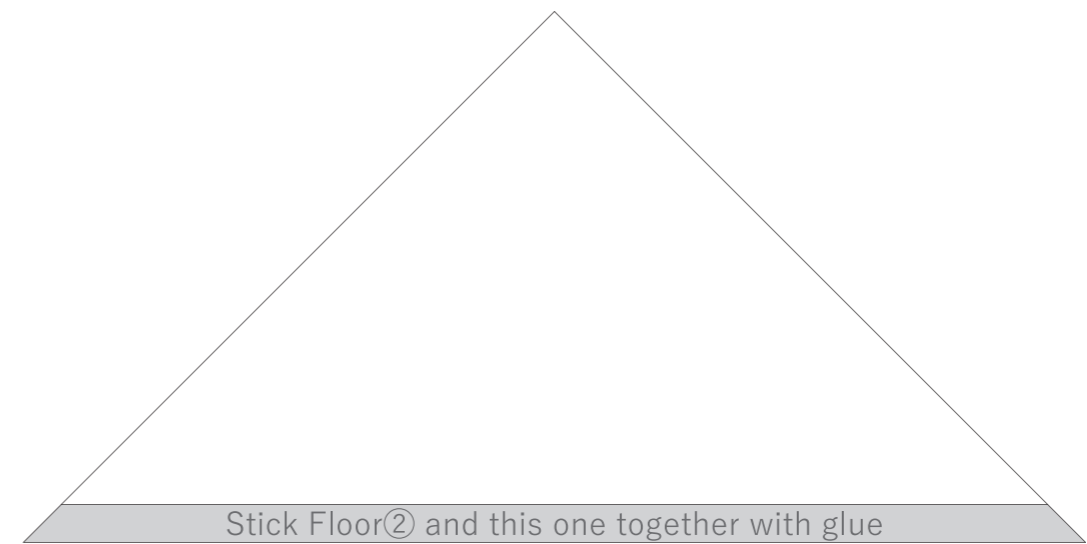

Stick Wall② and this one together with glue
